

JAPS-OLSON COMPANY

Commercial Print & Direct Mailers

Japs-Olson Company Receives PCI DSS Certification.

Minneapolis – Japs-Olson Company, which operates a 704,000 sq.ft. state-of-the-art printing and mailing facility, has been awarded Security Metrics® Certificate of PCI DSS merchant certification. This certification means Japs-Olson’s confidential data security standards are certified with payment card industry data security standards (PCI DSS) endorsed by Visa®, Mastercard®, American Express®, Discover® and JCB card brands.

Security Metrics recognizes the Japs-Olson Company for its efforts to reduce credit card theft and fraud. By achieving PCI certification, Japs-Olson is maintaining rigorous data security standards to ensure that its customer’s credit card information remains safe and secure.

“We are proud to have earned this certification,” said Japs-Olson CEO Mike Beddor. “This demonstrates to our customers that we hold their data in the most secure environment which is rigorously tested throughout the year.”

ABOUT JAPS-OLSON COMPANY

Japs-Olson Company, founded in 1907, has been at the forefront of the commercial printing and direct mail production industry for over 110 years. Based in Minneapolis, it is one of the 10 largest commercial printing and direct mail production firms in the country thanks to its highly skilled work force and ongoing investment in equipment and technology. Japs-Olson is an ISO 9001:2015 certified company, a charter member of the PIM Great Printer Environmental Initiative, and holds the Forest Stewardship Council® (FSC®) Certification.
